## Berryhill Fire Department Auction Date Set May 2nd

The Berryhill fire Department has announced the 2nd annual fund raising auction will be held on Saturday, May 2, 1998 at 9:00 a.m. at 2900 S. 65th West Avenue.

Last year the auction took in \$28,000 and we feel this year will be even better said Henry Kinser, Captain of the Berryhill Fire Department. The Auction will include five Auctioneers donating their time to this worthy cause.

Items to be auctioned will include everything from cars, trucks, boats, trailers, and tools said Kinser. Last year we even had a good selection of lawn and garden equipment, hunting and fishing equipment, lumber, and fencing materials, however, any items you may have, would be greatly appreciated Kinser said.

Pick up services will be available. All consignments will be charged a

10% fee when sold to a maximum of \$100.00. All donations are tax deductible said Kinser and people may donate or consign up to the time of auction. We will be happy to pick up and store items before the sale.

The money from the Fund Raising auction will be used to update existing equipment and build another grass rig. As soon as we get the parts for the rig, the fire volunteers will do the repairs according to Kinser.

The Berryhill Fire Department, considered to be the model volunteer fire department of its size in the nation is under the leadership of Fire Chief Jim Downing.
